 - March 1, 2012 or until space has been filled.
- **PLEASE PROVIDE:** 2 Conductor Scores and 2 SD cards.
- **PERCUSSION:** Please email me by April 1st with a list of percussion instruments needed. We will do our best to accommodate your needs. We can usually provide the basic large percussion instruments (Bass Drum, Timpani, etc).
 - ✓ *Each ensemble will be given 15 minutes to enter, announce, perform and exit the stage.*
 - ✓ *Additional time will be allotted for the adjudicators to provide feedback to your band or orchestra.*
 - ✓ *At the end of your performance, you will receive the adjudicator's taped comments on an SD card and participation award.*
 - ✓ *Please email your program (title, composer, arranger) to the email address listed below by April 1st. A program will be created with the musical selections listed.*

Please schedule the day so that your ensemble can listen to the other participating ensembles.

Please note: Adjudicators comments will be digitally recorded onto an SD card. If you are unable to play/provide an SD card, arrangements to provide comments via an alternate media format may be able to be arranged. Please make sure to contact me well in advance.

Time slots will be given to ensembles on a first come, first serve basis. Also, I will do my best to accommodate all bands according to their time preferences, but it is easier to do this for bands that register early!

If you have any questions or special requests, please use the following contact information and I will reply promptly. I hope to see you and your students at this year's festival.
